

The screenshot shows the Ubuntu website's desktop download page. At the top, there is a dark navigation bar with links for "Downloads", "Desktop", "Server", "Core", and "Cloud". Below the navigation bar, the main heading is "Download Ubuntu Desktop". A sub-section for "Ubuntu 24.04 LTS" is highlighted with a large orange crown icon. To the right of the LTS section, there is a brief description of what LTS means: "The latest LTS version of Ubuntu, for desktop PCs and laptops. LTS stands for long-term support — which means five years of free security and maintenance updates, extended to 10 years with Ubuntu Pro." Below this description is a green "Download 24.04 LTS" button. Further down, there is a "What's new" section listing two items: "New Desktop installer with support for autoinstall" and "New App Center and Firmware Updater applications". The bottom of the page features a standard Windows-style taskbar with icons for various applications like File Explorer, Edge, and Control Panel.
